McMAHON ASSOCIATES HR PROFESSIONAL RECEIVES CERTIFICATION

Fort Washington, Pennsylvania -- McMahon Associates, Inc., a transportation engineering and design firm, is pleased to announce that Marie E. Herschel, Human Resources (HR) Coordinator, was recently awarded her Professional Human Resources (PHR) Certification.

The PHR certification, offered by the Society for Human Resource Management and the Human Resource Certification Institute, demonstrates a mastery of the HR body of knowledge and has accepted the challenge to stay informed of new developments in the HR field. To become certified, Ms. Herschel had to pass a lengthy and comprehensive examination and demonstrate a competent level of education, training and experience. This certification clearly indicates Ms. Herschel's commitment to personal excellence and professional development in her field.

McMahon Associates, Inc. continues to enhance its transportation engineering services and staff to better provide for clients' needs and desires. It is headquartered in Fort Washington, Pennsylvania, with regional offices in Pennsylvania, Florida, and Massachusetts. For more information, please contact Joseph J. DeSantis, P.E., P.T.O.E., vice president & general manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
