McMAHON ASSOCIATES, INC. HIRES NEW SENIOR PROJECT MANAGER – OFFICE MANAGER

Fort Lauderdale, FL - McMahon Associates, Inc., a transportation engineering and planning firm, announces the addition of Thomas A. Hall, Senior Project Manager – Office Manager of our Fort Lauderdale office. Mr. Hall will supervise the traffic engineering & planning group and manage the Fort Lauderdale office operations.

Mr. Hall has over 30 years of professional experience serving both public and private clients in a variety of transportation engineering and planning projects. His experience includes preparation of traffic impact studies, traffic signal warrant analyses, traffic signal and highway lighting construction plans, concurrency analyses, land use plan amendments and development of site plans. Mr. Hall started his career with the Florida Department of Transportation, where he spent nearly 15 years in the Traffic Operations Unit. He then went on to own and operate a successful traffic engineering firm. Mr. Hall is an active member of Institute of Transportation Engineers and the American Society of Highway Engineers.
