For Immediate Release

McMAHON ASSOCIATES, INC. ANNOUNCES PROMOTIONS

Fort Washington, PA - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 29 years of service, is proud to announce the promotions of Jodie L. Evans, P.E. and Stephen E. Cunningham, P.E., to Project Manager.

Jodie L. Evans, P.E. draws on more than 8 years of traffic engineering experience. She received her bachelor of science degree in civil engineering in 1996, and her master of science degree in civil engineering in 1998 both from Pennsylvania State University. In addition to her knowledge of traffic operations, transportation planning, and highway design and research, she has experience in traffic impact studies, traffic simulation models, preliminary highway design, traffic signal design, and pavement condition studies.

Stephen E. Cunningham, P.E. received his bachelor of science degree in 1998 from the University of Delaware. He has been involved in traffic signal design, traffic signal construction management, warrant analysis, and traffic data collection. He has also been involved in computer analysis of existing and proposed traffic signals. His traffic signal construction experience includes the review of structural shop drawings and equipment catalog cuts, as well as traffic signal construction management.

McMahon Associates' mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Mechanicsburg, PA, and Yardville, NJ combined currently employ 90 of the company's 130 full-time employees. It also has three offices in Florida and one in New England. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, GIS, and

construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E. PTOE, vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
