**McMAHON ASSOCIATES, INC. HIRES
SENIOR PROJECT MANAGER
FOR ITS HARRISBURG AREA OFFICE**

Mechanicsburg, Pennsylvania – As part of its commitment to provide a strong presence in Central Pennsylvania, McMahon Associates, Inc., a transportation engineering and consulting firm with nearly 30 years of service excellence, announces the addition of Michael S. Wagner, P.E., as senior project manager within the structures unit. Mr. Wagner will work in McMahon Associates, Inc.'s Mechanicsburg office. The addition of Mr. Wagner is part of McMahon Associates, Inc.'s effort to expand its structural design services, and insure that our clients continue to receive the timely, efficient and top quality service for which McMahon Associates, Inc. is known.

Mr. Wagner received a Bachelor of Science in Civil/Structural Engineering from the University of South Florida in 1995. He is a member of the American Society of Highway Engineers and the American Council of Engineering Companies of PA. He also serves as secretary for the Central Pennsylvania Section of the American Society of Civil Engineers. Mr. Wagner has worked extensively with PENNDOT as well as the Pennsylvania Turnpike Commission. His background is in the design and contract drawing preparation for bridge replacement and bridge rehabilitation. He also has experience in NBIS bridge inspections, hydraulic analysis, highway design, traffic control plans, and shop drawing review. Mr. Wagner's proven project management skills and his ability to take a project from conception to implementation will be a
