**For Immediate Release**

## **McMAHON ASSOCIATES, INC. HIRES NEW ENGINEER IN NEW ENGLAND REGION**

**Boston, MA** - McMahon Associates, a full-service transportation engineering and planning firm with over 29 years of service, is proud to announce the addition of Scott B. Carpenter, P.E., to their design department as senior project engineer.

Scott B. Carpenter received his Bachelor of Science degree from the University of Massachusetts in May of 1996. Mr. Carpenter has nearly 10 years experience with civil engineering, roadway design, and transportation/traffic operations. His experience includes preparation of contracts, concept sketches, agency coordination, permitting, construction drawings, specifications, and estimates for various roadway and traffic safety improvement projects. Mr. Carpenter has worked for public and private sector clients, including MassHighway, City and Town agencies, and private developer owners. He is a registered professional engineer in the state of Massachusetts, and is a member of the American Society of Civil Engineers and Boston Society of Civil Engineers.

McMahon Associates is located in downtown Boston, Massachusetts, with eight additional Mid-Atlantic and Florida regional offices, including the corporate headquarters in Fort Washington, Pennsylvania. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land

survey, traffic signal design and permitting, highway design and permitting, transit planning and design, bridge design and inspection, Intelligent Transportation Systems, GIS, and construction services for both public and private clients. For more information, please contact William T. Steffens, vice president & regional manager, at (617) 725-0099, or via email to [bill.steffens@mcmtrans.com](mailto:bill.steffens@mcmtrans.com).
