**McMAHON ASSOCIATES, INC.
HIRES SENIOR PROJECT ENGINEER FOR ITS
FORT MYERS, FLORIDA OFFICE**

Fort Myers, FL, November 15, 2006 – McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 30 years of service, is proud to announce the addition of Nelson Galeano, senior project engineer, in their Fort Myers traffic department.

Mr. Galeano has been involved in transportation engineering since 1992. He received his bachelor of science in civil engineering from the National University of Colombia. He then received his masters of science in transportation planning from University of Stuttgart in Stuttgart, Germany. He is currently pursuing a Master's in Business Management from International College in Fort Myers and expects to graduate in 2007.

Mr. Galeano's professional experience includes public sector employment in Colombia, both national and international (UN), and private sector employment in both Germany and the

U.S. His most recent experience is in conducting traffic studies for large and small scale private developments in Southwest Florida.

McMahon Associates, Inc. specializes in traffic engineering and design services, with regional offices in Palm Beach Gardens, Fort Lauderdale, Miami and Fort Myers, Florida, with over 130 full-time employees firm wide. Other markets served are New England and the Mid-Atlantic states. For further information, call John S. DePalma, Vice President and Florida Regional Manager, at 561-840-8650, or send an email to john.depalma@mcmtrans.com.
