McMAHON ASSOCIATES, INC. ANNOUNCES PROMOTION

Fort Lauderdale, FL - McMahon Associates, Inc., a transportation engineering and planning firm with experience since 1976, announces the promotion of Richard DiCesare, P.E., PTOE to senior project manager.

Mr. DiCesare received his associate in applied science in civil engineering technology from Mohawk Valley College. He has over 20 years of specialty experience in traffic analysis and design. Mr. DiCesare is a registered professional engineer and is certified as a professional traffic operations engineer. He is also a member of several organizations including the Institute of Transportation Engineers and the Professional Services Management Association.

McMahon Associates, Inc. specializes in traffic engineering and design services, with regional offices in Palm Beach Gardens, Fort Lauderdale, Miami, and Fort Myers, Florida, with over 130 full-time employees firm-wide. Other markets served are New England and the Mid-Atlantic states. For further information, call John S. DePalma, vice president and regional manager, at 561-840-8650, or via email to john.depalma@mcmtrans.com.
