For Immediate Release

McMAHON ASSOCIATES, INC. APPOINTS NEW ASSOCIATE OF THE FIRM

Fort Lauderdale, FL, December 27, 2006 – McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 30 years of service, is proud to announce its newest Associate of the firm, Thomas A. Hall, General Manager of McMahon's Fort Lauderdale office and acting General Manager of their Fort Myers and Miami, Florida offices.

In his three years with McMahon, Mr. Hall has solidified and expanded the Fort Lauderdale office and manages the traffic engineering and operations practice in Florida. Among his many recent accomplishments is an Interchange Justification Report for the 5,700-acre Isles of Athena project's proposed new interchange on I-75. He is currently working on follow-on Project Development and Environmental Study (PD&E) for 2007 and eventual design of the \$50 million interchange.

Additionally Mr. Hall has completed extensive traffic studies for the Pompano Park redevelopment as 1,500 slot machines and related commercial/recreational activities will revitalize the historic harness racing venue. A significant highway design assignment also resulted from his efforts.

McMahon Associates, Inc. specializes in traffic engineering and design services, with regional offices in Palm Beach Gardens, Fort Lauderdale, Miami and Fort Myers, Florida, with over 130 full-time employees firm wide. Other markets served are New England and the Mid-Atlantic states. For further information, call John S. DePalma, Vice President and Florida Regional Manager, at 561-840-8650, or send an email to john.depalma@mcmtrans.com.
