For Immediate Release

McMAHON ASSOCIATES, INC. HIRES NEW PROJECT MANAGER

Exton, PA, October 26, 2007 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 31 years of service, is proud to announce the addition of Kevin M. Conahan, P.E., as project manager to its Intelligent Transportation Systems (ITS) and signal department.

Mr. Conahan has been involved in ITS and traffic signal planning, design, and construction engineering for seven years. He graduated from Villanova University, located in the Philadelphia area, with a Master's degree in civil engineering in 2006. In June 2005, he received his professional engineering registration in Pennsylvania. He is also certified by the International Municipal Signal Association (IMSA) for Traffic Signals Level I, II, and III.

Mr. Conahan's professional experience includes serving as signal systems engineering supervisor for the Pennsylvania Department of Transportation. He supervised the department's 150 traffic signal systems and four ramp-metering locations throughout Greater Philadelphia, the Congested Corridor Improvement Programs, Traffic Signal Retiming

Initiative, as well as numerous contracts, municipal, highway occupancy, and operations related projects.

McMahon Associates' mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA, and Yardville, NJ combined currently employ 95 of the company's 150 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, GIS, and construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E., PTOE, executive vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
