## McMAHON ASSOCIATES, INC. ANNOUNCES PROMOTIONS IN FLORIDA OFFICES

Fort Washington, PA (Corporate Headquarters), July 18, 2007 – McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 31 years of service, is proud to announce three promotions within the Florida offices.

Richard DiCesare, P.E., PTOE, has been promoted to general manager of the Fort Lauderdale office. Mr. DiCesare draws on over 25 years of extensive experience in traffic and highway engineering and transportation planning. He has provided comprehensive consulting services within these disciplines for private sector clients, local municipal agencies, state/county DOT's and private/public institutions within several states. In addition to managing projects and performing related engineering duties, Mr. DiCesare has routinely presented traffic flow concepts and transportation projects to municipal officials, traffic control boards and public advisory groups.

R. Trent Ebersole, P.E., has also been promoted to general manager of the Palm Beach Gardens office. Mr. Ebersole brings over 18 years of transportation planning and traffic engineering experience. He specializes in providing comprehensive transportation consulting services for private sector clients in support of local and state land development processes. Mr. Ebersole is a registered Professional Engineer in Florida and is a member of the Institute of Transportation Engineers.

Michael D. Spitz, P.E., has been promoted to senior project manager of McMahon's west coast Florida operations. He is responsible for the development and growth of the Fort Myers office. Mr. Spitz has experience in transportation design/planning, traffic engineering and highway design, since 1996. He is also a registered Professional Engineer in Florida and a member of the American Society of Civil Engineers, Transportation Research Board, and Institute of Transportation Engineers.

McMahon Associates, Inc. specializes in traffic engineering and design services, with regional offices in Palm Beach Gardens, Fort Lauderdale, Miami and Fort Myers, Florida, with over 130 full-time employees firm wide. Other markets served are New England and the Mid-Atlantic states. For further information, call John S. DePalma, vice president and Florida regional manager, at 561-840-8650, or send an email to [john.depalma@mcmtrans.com](mailto:john.depalma@mcmtrans.com).
