For Immediate Release

McMAHON ASSOCIATES, INC. HIRES NEW SENIOR PROJECT MANAGER

Camp Hill, PA, September 11, 2008 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 32 years of service, is proud to announce the addition of Anthony J. Castellone, P.E., PTOE as senior project manager to its Traffic Engineering department.

Mr. Castellone draws on over 24 years of professional experience with a wide-range of expertise in all phases of Intelligent Transportation Systems (ITS) design, transportation planning analysis, highway capacity analysis, traffic signal design, signing, pavement markings and coordinated system signal timing. He has worked on numerous high-profile projects for the Pennsylvania Department of Transportation and Pennsylvania Turnpike Commission. Such past project experience includes serving as project manager responsible for the design of the City of Pittsburgh's ITS expansion, overseeing the construction management

of the I-279 HOV lane surveillance and traffic control system, and serving as Traffic Engineer for several municipal clients.

Mr. Castellone is a graduate of the University of Rhode Island with a Master's in Business Administration and a Bachelor's degree in civil engineering from the University of New Hampshire. He is a professional engineer registered in numerous states including Pennsylvania and New Jersey, as well as a certified professional traffic operations engineer (PTOE). Additionally, Mr. Castellone has been certified by the International Municipal Signal Association (IMSA) for Traffic Signal Electrician, Level II and Signs and Pavement Marking Specialist, Level II.

McMahon Associates' mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA, Yardville, NJ, and Bowie, MD combined currently employ 95 of the company's 150 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, GIS, and construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E., PTOE, executive vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
