McMAHON ASSOCIATES, INC. ANNOUNCES PROMOTIONS IN FORT WASHINGTON OFFICE

Fort Washington, PA, January 5, 2008 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 32 years of service, is proud to announce the promotions of Jennifer Walsh, P.E. and Brian DiBiase, P.E., PTOE.

Jennifer K. Walsh, P.E. was recently promoted to senior project manager. Ms. Walsh has been an important contributor to McMahon's traffic department for over six years. She has helped build McMahon's data collection efforts in the Mid-Atlantic region by assisting in the win of large contracts. Ms. Walsh has managed projects from smaller traffic impact studies to larger corridor studies and point of access studies. She received both her bachelor of science and master of science in civil engineering from Villanova University. She is a registered professional engineer (P.E.) in Pennsylvania.

Ms. Walsh is the president-elect of the Mid-Atlantic Section of the Institute of Transportation Engineers (MASITE) and will take over the president's duties in 2009. She participates in a multitude of outside activities and organizations. Each January she volunteers

Corporate Headquarters: Fort Washington, Pennsylvania

Serving the East Coast from 11 offices throughout New England, the Mid-Atlantic, and Florida

as part of Engineer's Week Celebration by mentoring and judging grade school children in the Future Cities Competition.

Brian D. DiBiase, P.E., PTOE, was recently promoted to project manager. Mr. DiBiase has been with the firm for eight years, since graduating from Villanova University in 2001. He has worked on a variety of design projects from smaller Highway Occupancy Permit (HOP) designs to larger-scale highway design projects. Additionally, he has prepared detailed drawings for studies and reports, project cost estimates, pavement design reports, and handled construction related tasks. Mr. DiBiase is a registered professional engineering in Pennsylvania and recently became certified as professional traffic operations engineer (PTOE) certification.

McMahon's mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA; Yardville, NJ; and Bowie, MD, and combined currently employs 95 of the company's 140 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, Geographic Information Systems, land survey, and construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E., PTOE, executive vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
