## McMAHON ANNOUNCES PROMOTIONS OF NATALIA L. MCGUCKIAN, E.I. AND J. DAVID HILL

**Palm Beach Gardens, FL, May 21, 2008** - McMahon Associates, Inc., a full-service transportation engineering and planning firm with service since 1976, is proud to announce two promotions within the Florida offices.

Natalia L. McGuckian, E.I. has been promoted to project manager of the traffic department at McMahon's Fort Lauderdale office. Ms. McGuckian has six years of transportation engineering experience including simulation, development of regional impacts, traffic operational analysis, traffic impact studies, and capacity analyses for both public and private sector clients. She is a graduate of Florida International University with a Bachelor of Science degree in civil and environmental engineering. Additionally, she is registered as an Engineering Intern working toward her professional engineer license.

J. David Hill has also been promoted to project manager of the design department at McMahon's Palm Beach Gardens office. Mr. Hill has experience in survey, CADD and roadway design since 1987. The types of projects he has worked on include Project Development and Environment (PD&E) studies, planning studies, minor projects and intersection improvements, both metric and English unit resurfacing and reconstruction projects, and pathway, design-build and water resource projects. He is a member of the Institute of Transportation Engineers.

McMahon Associates, Inc. specializes in traffic engineering and design services, with
