MCMMAHON ASSOCIATES WINS TWO FDOT CONTRACTS

Fort Lauderdale, Florida – McMahon Associates, Inc., a transportation engineering and planning firm, has been awarded two major contracts from the Florida Department of Transportation (FDOT).

FDOT District Four selected our firm for a \$5 million 3R Construction Projects of SR-824, Pembroke Road. SR-824 is an existing 4-lane divided highway with on-street parking in a one-mile section, and a 6-lane divided highway in the other, approximate 1-mile section. As prime consultant, McM will lead the project efforts of the Design Team, requiring milling and resurfacing, widening into the median, lighting, and beautification along this approximate 2-mile section of highway.

McMahon was also part of a team selected for a second FDOT District Four contract. McM will provide lighting and traffic signal design for this 3R construction project along a mile section of SR-68, Orange Avenue.

With 110 full-time employees, McMahon Associates, Inc. is a recognized transportation engineering and consulting firm with 26 years of service excellence. The firm currently has regional offices in Florida, Pennsylvania and Massachusetts.
