**For Immediate Release**

## **MCMAHON ASSOCIATES WINS PHILADELPHIA 100 AWARD!**

**Fort Washington, PA** - McMahon Associates, Inc., a transportation engineering, planning and design firm with over 27 years of service, has been named to “The Philadelphia 100” as one of the fastest growing privately-held companies in the Greater Philadelphia region in 2003 for the second consecutive year! McMahon Associates was selected a winner with a revenue growth of 55% from 2000 to 2002, and with an employee growth from 75 to 99 during the same time period.

CEO's of firms distinguished through this honor are recognized for their entrepreneurial skills and ultimate successes in building their organizations. Joseph W. McMahon, P.E., CEO and Chairman of the Board, declares “I am honored and proud of the integrity, hard work and dedication of the staff of McMahon Associates, who have helped the development of the firm from a single practitioner traffic engineer to the 110-person award-winning, full-service, multi-state, multi-office transportation firm of today.”

The Wharton Small Business Development Center oversees all research for the “Philadelphia 100” award, reviewing hundreds of applications each year. The companies are ranked based on the 3-year revenue percent growth rate over the previous three years. To be eligible, each company must be privately held, have sales growth within the last fiscal year, and have revenues greater than \$75 thousand and less than \$25 million.

McMahon Associates, Inc. continues to enhance its transportation engineering services and staff to better provide for our clients’ needs and desires. It is headquartered in Fort Washington, Pennsylvania, with regional offices in Harrisburg and Exton, PA, as well as Florida and Massachusetts. For more
