**For Immediate Release**

## **McMAHON ASSOCIATES, INC. WINS TWO TRAFFIC ENGINEERING CONTRACTS**

**Palm Beach Gardens, Florida** – McMahon Associates, Inc., a transportation engineering and planning firm, was selected by the Northern Palm Beach Improvements District (NPBCID) to provide transportation engineering services as well as the City of Delray Beach to serve as their Traffic Engineer Consultant.

NPBCID retained McMahon Associates to assist the District in managing and maintaining the transportation infrastructure within its jurisdiction. Under this one-year, annual renewal, work-order basis contract, McMahon will provide traffic engineering services including sanitary and storm water, traffic calming, and roadway design.

McMahon Associates was also retained by the City of Delray Beach for a general services contract to provide various transportation planning and design services. This is a one-year renewable work order contract, with three one-year renewable options, to work with the City of Delray Beach.

With 110 full-time employees, McMahon Associates, Inc. is a recognized transportation engineering and consulting firm with 27 years of service excellence. The firm currently has seven regional offices in Florida, Pennsylvania and Massachusetts. For more information, please contact John DePalma, at (561) 840-8650 or via email to [john.depalma@mcmtrans.com](mailto:john.depalma@mcmtrans.com).
