McMAHON ASSOCIATES, INC. APPOINTS NEW OFFICE GENERAL MANAGERS

Fort Washington, PA - McMahon Associates, Inc. (McM), a full-service transportation engineering and planning firm with 28 years of service, proudly announces an exciting and important change to the management structure of the Mid-Atlantic Region. McM has officially created the position of Office General Manager for each of the three Pennsylvania offices. The role of the Office General Manager will be to oversee all financial, personnel, and office-related issues pertaining to each of their respective offices. The following individuals will be filling these positions: Keith A. Bergman, P.E. - Fort Washington (Montgomery County) Office General Manager, Christopher J. Williams, P.E. – Exton (Chester County) Office General Manager, and John F. Yacapsin, P.E. – Harrisburg (Dauphin County) Office General Manager.

Keith Bergman has been with McM for over eight years and has been instrumental in the firm's growth from 18 to 43 employees during his tenure, including solidifying our design capabilities. Mr. Bergman now takes over responsibility for the firm's largest office. He will also continue to coordinate project-related issues and assignments for the PA Design and Signal Groups regionwide, in an effort to maintain consistency throughout the PA offices.

Christopher Williams has also been with McM for over eight years, and was the key senior manager involved in the successful start-up and now current operation of their Exton

office, securing our market niche in and around Chester County. Mr. Williams has officially taken over management responsibility of the 14-person office. He will also continue to coordinate project-related issues and assignments for the PA Traffic Group.

John Yacapsin joined McM in January of this year as a Senior Project Manager. With over 15 years of experience, he has greatly improved and stabilized our Harrisburg operation, while also providing our firm with the added-service capability of Bridge Design and Inspection. Mr. Yacapsin, as part of the PA Design group, now takes over official responsibility for the Harrisburg office operations.

McMahon Associates, Inc. continues to enhance its transportation engineering services and staff to better provide for clients' needs and desires. The firm is headquartered in Fort Washington, Pennsylvania, with regional offices in Harrisburg and Exton, PA, as well as Florida and Massachusetts.
