For Immediate Release

McMAHON ASSOCIATES, INC. HIRES NEW PROJECT MANAGER

Palm Beach Gardens, FL - McMahon Associates, Inc., a transportation engineering and planning firm, announces the addition of R. Trent Ebersole, P.E., Project Manager, in their Palm Beach Gardens traffic department. Mr. Ebersole will be responsible for project development/traffic engineering and planning projects and assisting in marketing and business development for the traffic department.

Mr. Ebersole has been involved in transportation engineering since 1990. He received his bachelor of science in civil engineering from Virginia Polytechnic Institute and State University. He then received his masters of science in environmental engineering from George Washington University in 1995. He has provided comprehensive transportation consulting services for private sector clients in support of local and state land development processes. Other experience includes corridor improvement studies, urban and rural area transportation plans, master planning, land use/transportation linkage, environmental studies, and conceptual highway design. Mr. Ebersole is a registered professional engineer in the state of Virginia and is a member of the Institute of Transportation Engineers.

-more-
