**For Immediate Release**

## **McMAHON ASSOCIATES, INC. WINS MIAMI BEACH MASTER PLANNING AND DESIGN CONTRACT AND OPENS ITS MIAMI OFFICE**

**City of Miami Beach, Florida** – McMahon Associates, Inc., a transportation engineering and planning firm, was selected by the City of Miami Beach to provide transportation engineering services for a proposed 16th street operational improvements and enhancement project.

This project will be divided into two phases, Master Planning and Design. Phase I will consist of developing a master plan/basis of design report, while Phase II will involve design services for the 16th street project.

McMahon Associates also announces the opening of its newest office in the City of Miami, Florida. On January 25, 2005, the firm will reinforce its commitment to provide personalized, responsive services to its clients in and around Miami-Dade County with this local office. This office will open in anticipation of beginning work on the proposed 16th street operational improvements and enhancement project.

With 120 full-time employees, McMahon Associates, Inc. is a recognized transportation engineering and consulting firm with 28 years of service excellence. The firm currently has nine regional offices in Florida, Pennsylvania, New Jersey, and Massachusetts.
