**For Immediate Release**

**McMAHON ASSOCIATES, INC.  
ANNOUNCES NEW PRINCIPALS, DIRECTORS, AND OFFICERS  
OF THE CORPORATION**

**Fort Washington, PA** - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 29 years of service, is proud to announce several senior management promotions.

On Friday, September 16, 2005, the shareholders of McMahon Associates elected Vice Presidents John S. DePalma and William T. Steffens principals and directors of the corporation. Mr. DePalma is the regional manager of Florida, and has been with the company for over 10 years. Mr. Steffens is the manager of the New England region, and has been with the company for eight years.

The Board of Directors also named Joseph J. DeSantis, P.E., PTOE, executive vice president. Mr. DeSantis, a member of the board of directors, is the manager for the Mid-Atlantic region, and has been with the firm for 19 years. Casey A. Moore, P.E. and Gary R. McNaughton, P.E., PTOE, were named vice presidents and Louis Possanza was named chief financial officer.

Mr. Moore is McMahon's business development director, and has been with the company for 14 years. Mr. McNaughton is the general manager of the Boston office, and has been with the firm for six years. Mr. Possanza directs the firm's corporate operations, and has been with the company for three years.

McMahon Associates' Mid-Atlantic offices, located in Fort Washington (corporate headquarters), Exton, and Mechanicsburg, PA, and Yardville, NJ, employ 80 of the company's 120 full-time employees. The firm also has offices in Palm Beach Gardens, Fort Lauderdale, Miami, and Fort Myers, Florida and in Boston, Massachusetts. McMahon's core services include data collection, transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting,

structural design and inspection, ITS, GIS, and construction services for both public and private clients. For more information, please contact Rodney P. Plourde, Ph.D., P.E., president, at (215) 283-9444, or via email to [rod.plourde@mcmtrans.com](mailto:rod.plourde@mcmtrans.com).
