McMAHON ASSOCIATES, INC. RELOCATES SOUTHWEST FLORIDA OPERATIONS

Fort Myers, Florida – McMahon Associates, Inc., transportation engineers and planners, announces the relocation of its Fort Myers, Florida office. On January 10, 2006, the firm's SW Florida/Fort Myers area office opened the doors to its new location at 1514 Broadway, Suite 201, Fort Myers, Florida 33901. The new contact numbers are 239-337-7335 (phone) and 239-337-7331 (fax).

As transportation engineering specialists, we recognize the need to grow and develop along with the region our office serves. For the past 5 years, McMahon's Fort Myers professionals have proudly served public and private clients in the area from Tampa to Naples. In this role, we have become knowledgeable of and sensitive to the issues related to these clients and the projects, and our responsibility to provide effective transportation planning, design, and improvement solutions to accommodate growth.

McMahon Associates, Inc. founded in 1976, specializes in transportation engineering and design services, with regional offices in Palm Beach Gardens, Fort Lauderdale, Miami, and Fort Myers, Florida, with over 130 full-time professionals firm-wide. Other markets served are New England and the Mid-Atlantic states. For further information, call John S. DePalma, vice president and regional manager, at 561-840-8650, or via email to john.depalma@mcmtrans.com.
