For Immediate Release

McMAHON ASSOCIATES, INC. HIRES NEW SENIOR PROJECT ENGINEER

Exton, PA, July 12, 2007 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 31 years of service, is proud to announce the addition of Christopher G. Seaman, P.E., as senior project engineer to its design department.

Mr. Seaman has been involved in structural and design engineering for over eight years. He graduated from Villanova University, located in the Philadelphia area, with a Bachelors degree in civil engineering. Mr. Seaman is currently pursuing his master's degree of civil engineering also from Villanova University. In January 2006, he received his professional engineering registration.

Mr. Seaman's professional experience began with a private engineering firm as a design engineer. He then extended his engineering capabilities working as a structural engineer and bridge inspector. He has worked on such projects for the Pennsylvania Department of Transportation and the Pennsylvania Turnpike Commission, as well as, various municipalities throughout eastern Pennsylvania.

McMahon Associates' mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA, and Yardville, NJ combined currently employ 90 of the company's 130 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, GIS, and construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E., PTOE, executive vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
