McMAHON ASSOCIATES, INC. HIRES NEW REGIONAL SURVEY MANAGER

Camp Hill, PA, February 24, 2010 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 34 years of service, is proud to announce the addition of Thomas O. Bass, P.L.S., as regional survey manager to its land surveying department. He is a professional land surveyor registered in Pennsylvania, Delaware, and Maryland.

Mr. Bass draws on over 20 years of professional experience for commercial and public-sector land development projects including buildings, highways, utilities and pipelines, and dams, as well as stream restoration and environmental projects. His experience includes all facets of surveying including boundary surveys, topographic surveys, geodetic surveys, ALTA surveys, photo control, courthouse research, right-of-way surveys, boring and well survey, construction stakeouts and FAA, 1A, and 2C certifications. Mr. Bass has made extensive use of GPS surveying techniques and trained other surveyors in its use. He is adept at Land Desktop software and has also provided stormwater management design.

Corporate Headquarters: Fort Washington, Pennsylvania

Serving the East Coast from 10 offices throughout New England, the Mid-Atlantic, and Florida

Mr. Bass is a graduate of the Rancho Santiago College of California with an Associates degree in surveying.

McMahon Associates' mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton, Camp Hill, and Pittsburgh, PA; Yardville, NJ; and Bowie, MD, and combined currently employs nearly 100 of the company's 120 full-time employees. It also has two offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, Geographic Information Systems/custom software development, land survey, dam design, water resources, and construction services for both public and private clients. For more information, please contact Casey A. Moore, P.E., vice president and regional manager, at (215) 283-9444, or via email to casey.moore@mcmtrans.com.
