McMAHON ASSOCIATES, INC. ANNOUNCES PROMOTIONS

Fort Washington, PA, July 5, 2011 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with 35 years of service, is proud to announce the promotions of Michelle Eve, E.I.T., Brian Finkelstein, P.E., and Kristen York, P.E. to Senior Project Engineer; and Jill A. Turnier to Marketing Assistant.

Ms. Eve has been a valuable member of the Fort Washington Design Group for nearly 10 years, with a focus on private HOP design work. She has continually developed experience in the many aspects of roadway design with the design of drainage and stormwater systems being her specialty.

Mr. Finkelstein has been with McMahon for 9 years, working in the Fort Washington Design Group, and has been an integral part of the Highway Occupancy Permit team in both a reviewing capacity, as well as design. He has transitioned into the role of Senior Project Engineer by performing design tasks ranging from conceptual plans to detailed Plans, Specifications, and Estimate packages both on the private and public sides and continually increasing his client interaction. Brian has also been the lead engineer in construction administration services for various municipal projects/clients such as Lower Providence Township and Whitpain Township.

Over the past 10 years that Ms. York has been with McMahon, she has been a key member of the Fort Washington Design Group. She has worked on an extensive list of PennDOT projects and is highly knowledgeable with the project needs at various stages throughout the PennDOT design and approval process. Kristen often represents McMahon at professional society events such as ASCE and WTS.

Over the past 5 years at McMahon, Ms Turnier has been a valuable member of the Marketing Group, while working from our Fort Washington offices, and servicing the company. She started her career after graduating from University of Pittsburgh, in 2002, with a Bachelor of Sciences Degree in Business Administration, with a major emphasis on Marketing, in the publishing area. She has continually grown and developed experience over the years, dealing with the standardization of features for the marketing group including forms, resumes, brochures, and individual project profiles. She also works maintaining the integrity of the McMahon Web Site.

McMahon Associates' Mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton, Camp Hill, and Pittsburgh, PA; Yardville, NJ; and Bowie, MD, which combined, employ 85 of the company's 120 full-time employees. The firm also has two offices in Florida and two in Massachusetts. McMahon's primary services include transportation planning/traffic studies, expert witness testimony, land survey, traffic signal design and permitting, highway design and permitting, bridge design and inspection, Intelligent Transportation Systems, Geographic Information Systems, and construction services for both public and private clients. For more information, please contact Casey A. Moore, P.E., vice president, at (215) 283-9444, or via email to casey.moore@mcmtrans.com.
