**MID-ATLANTIC SECTION OF THE INSTITUTE OF
TRANSPORTATION ENGINEERS
NAMES NICOLE R. KLINE, P.E.,
AS 2008 PRESIDENT'S AWARD RECIPIENT**

Exton, PA, October 15, 2008 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 32 years of service, is proud to announce that Nicole R. Kline, P.E. has been selected as this year's Mid-Atlantic Section of the Institute of Transportation Engineers (MASITE) President's Award recipient. The President's Award honors a member who has gone above and beyond in their dedication and support for the Section. Ms. Kline was honored at an awards ceremony held during the MASITE Annual Meeting on Sunday, October 5th and Monday, October 6th, 2008, at the Bedford Springs Resort in Bedford, PA.

Ms. Kline has provided years of leadership within the Mid-Atlantic Section of ITE, most recently serving at the District level, as the District 2 liaison for the Joint ITE District 1/District 2 Annual meeting held in Atlantic City, NJ in May of 2008. She has served on numerous Annual Meeting committees, the recognition/awards committee, first as a member and now as the chairperson, and has always been willing to volunteer her time when needed. She has also been selected to serve as a Co-Chair for the 2009 MASITE Annual Meeting to be held in the Philadelphia, PA area.

Ms. Kline, a senior project engineer of McMahon, has over six years of experience in traffic engineering. She is a 2002 graduate of the Pennsylvania State University with a bachelor

of science in civil engineering. Additionally, she is a registered professional engineer in both Delaware and Pennsylvania.

McMahon's mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA; Yardville, NJ; and Bowie, MD, and combined currently employs 95 of the company's 140 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, Geographic Information Systems, land survey, and construction services for both public and private clients. For more information, please contact Joseph J. DeSantis, P.E., PTOE, executive vice president and regional manager, at (215) 283-9444, or via email to joe.desantis@mcmtrans.com.
