McMAHON ASSOCIATES, INC. HONORED WITH BEST PLACES TO WORK AWARD

Fort Washington, PA, September 18, 2008 - McMahon Associates, Inc., a full-service transportation engineering and planning firm with over 32 years of service, was recently named as one of the Best Places to Work in PA for 2008. McMahon was chosen for its unique company culture, employee benefits, and employee satisfaction verified through confidential surveys.

The awards program, created in 2000, is one of the first of its kind offered by a state in the country. The purpose of the statewide survey and award program is to identify, recognize and honor the best places of employment in Pennsylvania, benefitting the state's economy, its workforce and businesses. The program is a public/private partnership of Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania Chamber of Business and Industry, and the Central Penn Business Journal.

Companies from across the state entered the two-part process to determine the 100 Best Places to Work in PA. The first part consisted of evaluating each company's workplace policies, practices, philosophies, systems and demographics. The second part consisted of an employee

survey to measure their experience. Nearly 45,000 Pennsylvania employees filled out the survey.

McMahon's combined scores placed them in final ranking of the top 50 medium-sized companies to be revealed at the Best Places to Work in PA evening awards ceremony on Tuesday, December 2, 2008, at the Hershey Lodge & Convention Center in Hershey, Pennsylvania.

McMahon's mid-Atlantic offices are located in Fort Washington (corporate headquarters), Exton and Camp Hill, PA; Yardville, NJ; and Bowie, MD, and combined currently employs 95 of the company's 140 full-time employees. It also has four offices in Florida and two in New England. McMahon's primary services include transportation planning/traffic studies, traffic signal design and permitting, highway design and permitting, structural design, Intelligent Transportation Systems, Geographic Information Systems, land survey, and construction services for both public and private clients.
